Phir Se

English

NAMASTE

A break is a pause, not a full stop.

Pregnancy, family, caring for someone. Whatever your reason, you still carry skills. Phir Se helps you refresh them at your own pace, practise in a safe space, and walk back into work with confidence.

Learning roadmap

Skills for your profession, in small steps, with progress you can see.

Jobs, remote work, freelancing

Opportunities matched to the skills you have finished so far.

Resume and interview help

Turn your break into a strength and rehearse the hard questions.

Mentors and peer circles

Women who have returned, and women returning with you.

Confidence practice

Quizzes, role-play and speaking drills where nobody is judging.

Speak instead of type

Tap the gold mic on any box and talk in Hindi, Tamil, Telugu, Bengali and more.

TODAY'S REMINDER

Gaps in a resume are normal. Good stories about them are what you are building.
